Monthly Operating Performance by Business Groups

The monthly consolidated revenue was NT\$ 4.89 billion for July 2023, down 6.52% YoY. Except for the growth of "**Green Mechatronic Solution**", both "**Air & Intelligent Life**" and "**Intelligence Energy**" declined:

1. **Green Mechatronic Solution** : The continuous growth in shipments of high-voltage motors is the main driver for YoY growth.
2. **Air & Intelligent Life** : Compared to the same period last year, the air conditioning business has turned to positive growth, gradually narrowing the YoY decline in revenue of the business group.
3. **Intelligence Energy** : Mainly due to the one-off recognition of revenue due to the procurement of equipment for the energy storage project in the same period last year, resulting in a higher base period.

Cumulative Operating Performance by Business Groups

The cumulative revenue in the first seven months of 2023 was NT\$ 34.73 billion, up 3.01% YoY. Except for the decline of "Air & Intelligent Life", both "Green Mechatronic Solution" and "Intelligence Energy" maintained growth:

1. **Green Mechatronic Solution** : The growth in shipments of high-voltage motors is the main driver for YoY growth.
2. **Air & Intelligent Life** : Revenue decreased mainly due to the one-off government project in the same period last year, resulting in the higher base period of comparison.
3. **Intelligence Energy** : Revenue from substation projects of offshore wind farm, internet data center, and energy storage projects are the main sources of growth.
